

## **“Blind Side Movie Review”**

*By Shelley Hitz*

Welcome to the Find Your True Beauty Podcast! Girls, it’s time to take a stand for true beauty. In a world that idolizes outer beauty, let’s come together and learn to display our true beauty. I’m Shelly Hitz the author of the website: [FindYourTrueBeauty.com](http://FindYourTrueBeauty.com), and today I want to talk about a movie review. A movie that opened last night called the “Blind Side”.

The “Blind Side” is a movie, based on a true story of a 2009 NFL draft pick, Michael Oher. First of all I want to say that I had no idea how busy it would be at the movies last night! I rarely go to the movies, but a friend asked me to go last night. So I said sure, after I looked up the review online and saw that it was gonna be good. But I rarely go to the movies, let alone on opening night for a couple different movies.

So when we got to the movies at 7pm, it was sold out. I couldn’t believe it, but we went and hung out and we came back for the late showing. But I have to say it was worth the wait. This movie showed the inspirational story of how one family made all the difference in one guy’s life.

I laughed, I cried, and I left the movies feeling inspired. It was a feel good movie. I recommend reading, “Plugged in Online’s review.” And they rate the movie 4 stars out of 5, for family friendliness. I also highly recommend the movie.

But one note of conscience, I was kind of shocked at the content in the previews. You don’t expect to have to guard your heart, and your mind, and your eyes, and all of that sort of thing in the previews. But there were some pretty sexually stimulating and violent content I didn’t expect to see that night. So because of that I’d recommend getting to the movies maybe just a few minutes late, after the previews have started.

Well, this is Shelley Hitz, from [FindYourTrueBeauty.com](http://FindYourTrueBeauty.com), and I hope you enjoy the movie “Blind Side.”
